

Especially Remember.....

Please pray for the homeless people in our own city. Give thanks for the work of organisations such as Glasgow City Mission, the Lodging House Mission, and the Salvation Army who show such love and compassion in the services they provide.

Pray for all those involved with the work of Street Pastors; City Mission; the Foodbank; The Well. Pray that as they serve in these places they will know God's equipping and wisdom in all their interactions with folk who are faced with many difficulties and challenges. Pray too for all those who use these services. Pray that they may see something of God's love and care for them as they receive the help they need.

Pray for all those who are suffering from addictions of any kind. Pray that they may seek the help they need and find healing and release. Pray too that in their suffering, they might draw closer to God and know His love, His strength and His hope.

Pray for friends, family and neighbours who struggle to cope with the pressures and anxieties of daily life for whatever reason. Pray that they may know that they are loved and valued by God.

Pray that those in hospital just now will know His peace. Continue to pray for all those who are ill, anxious about their health and undergoing treatments. Pray that they will know God's healing touch in their lives.

Remember the frail and elderly members of our churches and community who can feel isolated and lonely. Pray that they may sense God's love for them as part of His family.

Pray for those who live in the margins of our community and who are often unnoticed. Pray for sensitivity to the needs of those we live beside and for opportunities to demonstrate God's love in words and actions.

The name of the Lord is a strong tower; the righteous run to it and are safe.
Proverbs 18:10

Pray for the people fleeing conflicts and extreme poverty, that they may be safe from harm as they travel and that they will be met with kindness and compassion wherever they try to settle.
